## A Letter to My Patients

It feels like a very long time since I have seen many of you. As you probably know, I have been unable to practice since the beginning of the Covid pandemic. This was on the advice of my physicians. When the latest wave started to build with Omicron, I reluctantly made a decision for my health and safety to retire permanently from dentistry.

I leave you in the capable hands of Dr. Irwin and Dr. Conway, and the wonderful and dedicated staff that our clinic has been fortunate enough to gather together over the years. Irwin Dental will be a reliable repository for your past and present dental records.

I would like to take this opportunity to thank everyone for their ongoing support over the past 40 years of my practice in Chilliwack. There have been many kind words and actions. I recognize and appreciate the trust you placed in me and my staff over the years. I consider it a privilege to have been able to serve you to the best of my abilities, not only as dental patients, but as friends and family. I will miss the experience, but fondly savour the memories.

Sincerely,  
Bob Sims
